Materials Matter

Plastic has become pervasive in beverage packaging, but it has a serious image problem with consumers.

Study conducted by the Boston Consulting Group (n=5,153)

64%

of EU consumers associate plastic with "harmful" – **121% MORE** than metal

65%

said they are less likely to buy a product in **HARMFUL PACKAGING**

54%

WON'T BUY PRODUCTS in packaging that is harmful to the environment

METAL
recycles
forever
